shop

Improve your home at a price you can afford!

ReStore stocks a wide range of new and used DIY and home improvement materials at 50-75% lower than the retail price.

We stock furniture, beds, bricks, paving, insulation, electrical goods, bathrooms, kitchens, office furniture and even the nuts and bolts to hold it all together!

donate

All products in ReStore are donated by organisations or individuals who want to help improve their community, the environment and lives of families in need.

Drop your items off at ReStore during opening hours or give us a call to arrange a free collection: **028 92 635 642**.

volunteer

Volunteers of all backgrounds and abilities support Habitat ReStore's work.

Volunteers needed Monday-Saturday, 9am-1pm and 1pm-5pm. There is a role for everyone from customer service to helping collect donations in the lorry.

Get in touch: **local@habitatni.co.uk**

Kitchen rescue

Donate quality, used kitchens to ReStore. Our Kitchen Rescue team will carefully remove the kitchen for resale; helping your local community and diverting reusable material from landfill. Get in touch today:
