# Killaney Parish Report 2021-2022

## **The trustees present the annual report and statements of Receipts and Payments and Assets and Liabilities for Killaney Parish Church for the year ended 2021.**

### **2021**

Following a year when church life was curtailed in all but some essentials, the hopes for a better year in 2021 were immediately frustrated as a period of lockdown was imposed following Christmas, and we had to revert to online and drive-in services for several weeks. As is the character of people in our parishes we were not daunted, but, with resolve and fortitude, we determined to make do, and make the best of it.

One of the many encouraging signs of faith and hope in our church families - at both the Crossroads sites - is the willingness with which they accommodated changes to our routine practices, so much so that we were able to enjoy the fresh look and feel - and length - of church services under this new regimen.

Being able to let go of some traditional forms, even for a time, has liberated us to enjoy the possibility of fresh ways of worship, prayer and teaching. Only the ability to enrich fellowship together has been continually hindered, yet many have found ways around this, using caution and ingenuity to make sure it happens.

While limitations on behaviour were strengthened, then relaxed and in some respects removed during the year, the spectre of COVID-19 remained high in hearts and minds and continued to stimulate conversations throughout the year.

Because of the demographics of our congregations, with significant numbers of people who were deemed vulnerable throughout the pandemic, the events we could operate safely were limited. This was beyond what became possible in the worlds of education, entertainment, and hospitality. We progressed in 2021 with the return of some catering at events, creating outdoor moments where possible for picnics, the offer of refreshments in pews, and a resumption of Sunday School and Organisations in Carryduff.

The Select Vestries met for most of the year in Zoom Calls with only Easter Vestry meetings in person. Carryduff Select Vestry adopted a dual approach in September with some attending in person in the space provided by the church building, and some via Zoom call. This practice will end in 2022.

The diocese advocated that parishes ought to try to hold a service of thanksgiving at the end of October to enable those who had been unable to attend the funerals of loved ones during the pandemic to mark their passing in the context of worship, reflection and prayer. The two resulting events which took place drew some great support from some families so affected. This looks likely to become an annual occasion in the parishes' calendars.

## **Team**

We are indebted to Mr David Gill and Mrs Florence Coulter, church wardens, and those who helped in this role during the year. They, with our glebe wardens, Mr Norman May and Mr Gary Crothers, helped guide the business of the Trustees as we continued our work.

We are also indebted to our Honorary Secretary, Mr Colin McClintock, for the additional duties he undertook as he led plans for the Hempton Hall, and Mrs Ruth Watson, our Treasurer, who supervised our bank accounts.

## **Ministry**

The musical contributions to life in our parishes has been limited as we emerge from these years, yet we appreciate the efforts made by one of our organists as she - and her family - have provided recorded music for use in worship. This pattern was followed throughout the year with the exception of the few occasions when she was able to lead us in person.

The daily and weekly messages on Facebook or YouTube were reduced to bi-weekly messages during the year, as more people began to be more comfortable at attending regular services. They continued for the benefit of those who were forced to isolate, unable by age or health to attend, or who continued to worship when they were in distant places on holiday or in holiday homes.

The ability to conduct hospital visiting has been varied; those who are dangerously ill, or in great distress have received infrequent visits, but it was only after permission from the local ward had been sought that such visits would occur. This is beginning to change in 2022.

Nursing home visits are still a huge strain on home staff, and are only done on request or in emergency. This will change in 2022.

Our bishop expressed his desire that evening events in church buildings would resume, with a particular emphasis on teaching and younger people. We have since held evening teaching events - based in Carryduff where the technology is readily available - with a small but consistent response from parishioners.

As part of this a Parish Visitor Team was trained during the autumn with a view to beginning service in 2022. Already a number of parishioners have been receiving visits from members of this team, and we look forward to developing it further as people request it or are offered it.

A church-wide focus on how to strengthen the church by loving one another was planned for use in the early months of 2022. It was called Love Your Church.

Our experience of Holy Communion has significantly changed in recent years, but the availability of shot glasses to allow people to receive individual communion cups, and the willingness of wardens to supervise and ensure a safe flow of parishioners to visit the front of the churches, has made a huge difference to our experience. Some of these patterns will be relaxed in 2022,

but some will stay in place until COVID-19 has become an inconvenience rather than a threat to life.

Personal Prayer and Group Meetings for Prayer together combine to bring to God our sense of utter dependence on him for all our needs. We will continue to seek ways to make group gatherings for prayer a yearning for all rather than the habit of a tiny number, as it is currently. The practice of personal prayer, both as members of worshipping congregations and in our homes is essential, and participation in this is truly vital.

Throughout the year the parish seeks to provide a pastoral presence through the ministry of the rector, readers and volunteers. We pay tribute to Mrs Marlene Moore and Mr Keith Shaw, our diocesan readers.

Most members of the weekly congregation are volunteers in either small or more significant roles. Their contribution to the running of the church, its organisations and services is essential and appreciated.

Members of the community admitted to hospital or suffering bereavements have been encouraged to make contact with the church and their spiritual needs are addressed. Whether or not they are active members of the parish, we have sought to help people in their need.

At sad times in people's lives the parishioners went out of their way to support families in their times of loss, often providing refreshments along with a sensitive welcome to those attending funeral services.

## **Communication**

Modern facilities allow for communication to be instant and extensive, but not necessarily clear and valuable. The mixed experience people have had with social networks is an example from which to learn.

Free services such as a Facebook Page, a YouTube Channel, or an Instagram feed and TikTok, bring with them some huge dangers of wasting time, intrusive and unwelcome advertising and the loss of privacy. Yet their widespread availability and usage also makes them an attractive option for churches like our own which do not have the skill or budget to create their own made-to-measure applications. We continue to walk this line with caution.

The church website, including information for both parishes is the base of our communication. All feeds to YouTube and Facebook are identified here so users can go directly to our feed without scrolling through endless pages. All posts - including an Advent series of some 40 daily posts - and church service announcements are delivered here first.

The Parish Magazine - CROSSROADS - is made available on the church website in easily readable pdf format before it appears in print or via email. The front cover has links to articles throughout the 24 page booklet.

We are indebted to our Office Secretary who populates the layout with great attention to detail and to the small number of contributors who add, suggest, edit and provide images for the monthly edition.

Occasionally materials not suitable for consumption by the general public, because of privacy or its subject matter, are distributed to people who have signed up for the magazine online, or handed out in church services, or sent by post.

A carefully managed database contains contact records of people on our church records. This is used for the purpose of issuing monthly magazines and maintaining records of contributors' addresses.

In 2021 parishioners have donated food and essentials to The Larder in Mersey Street on a monthly basis. We filled a number of shoe boxes with Christmas gifts for children overseas, as organised by Samaritan's Purse.

## **Objectives and Activities**

The charitable purpose of the Church of Ireland is the advancement of religion. The principal function of Killaney Parish is to support the advancement of the Christian religion by promoting, through the work of Killaney Parish, the whole mission of the Church, pastoral, evangelistic, social and ecumenical.

Being open to and engaging with society as a whole and offering support for those needing help are fundamental to the practical delivery of the benefits of Christianity. As a result of activity in the pursuit of the advancement of the Christian religion, Killaney Parish has custody of property and of records, materials and artefacts of significance to the cultural and religious heritage, and maintenance of which is undertaken by the select vestry of Killaney Parish.

## **Achievements, Performance & Public Benefit**

St Andrew's Church is a nineteenth century listed (B2) building with simple plain and coloured glass windows surrounding a traditional worship place. With seating for up 120 people it provides the location for a weekly service for the community, as well as the location of weddings and funerals for people with and without pre-existing connections to the parish.

One main service each week reflects a monthly cycle, including a Parish Communion service, services of Sunday Morning Prayer and all age worship. For most of the year these services were shared using social media channels.

It has been our intention to awaken in one another our sense of the importance of a spiritual life for people, providing teaching, preaching, encouragements to study the bible and enabling fresh experiences of worship to enliven the heart.

## **Property and Use**

A beautiful and valued property such as St. Andrew's, Killaney requires careful and meticulous attention to detail as it is maintained for the future. Our vestry has continued to identify issues of concern and sought advice where appropriate to treat them if needed.

The Hempton Hall, as our church hall is sometimes known, was virtually unused for two years as both catering needs and meeting needs had to be

limited. This gave the vestry time to reflect on its usage, and a concern to improve it in terms of security, comfort and usability began to rise.

A grant scheme provided by DEERA was drawn to our attention and the vestry set about producing a wish list and a plan to improve our property. Our grant application was approved late in 2021 and work was set to take place between February and April in 2022.

Members of the parish undertook some helpful and illuminating training on the use of such a facility and a Hall Team was taking shape as the work began. Large in our thinking is the creation of a community hub where our community will want to gather. This can be for their own gatherings, educational or recreational events which need a well equipped hall, as well as a place where friendships can be built. Parishioners need to be involved in every community event to enable the process to gather momentum, and this is a main challenge for us as the year 2022 unfolds.

Further to previous years, a portion of the church windows are being removed and refurbished in order to ensure their longevity.

The safe use of the graveyard continues to be our focus as the vestry seeks to provide new paths in the main block of ground.

The refurbishment of the clergy vestry last year was completed early in the year by the provision of a new heater.

Our hall programme is designed to encourage physical activity, community building and spiritual growth. The car park is also used by local families while a school bus collects and delivers children there safely each day.

To defray running costs such as heating, lighting, cleaning and maintenance, donations for heating and lighting are requested of hall users.

For the protection of children, the Church of Ireland Safeguarding Trust regulations are applied for every instance where children or vulnerable adults are part of the church's life.

## **Welcome Leaflet**

A highly coloured and well produced four page leaflet was produced to promote the awareness of our church building as a place of worship and friendship in the community. This served as a helpful handout as we promoted events such as the Harvest and the Community Christmas Tree-Lighting Ceremony in 2021. The willingness of parishioners to use these materials in such a way is the additional value that such well produced items can offer.

## **Public Benefit**

The Parish has given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the activities entered into during the year have helped to achieve the Parish's objectives and activities, as well as providing public benefit.

## Going Concern

The trustees have reviewed the budgets for the year ahead and are satisfied that there are adequate funds in place to ensure that the Parish can continue its activities and the financial statements for the year ended 2021 can be signed off as a going concern.

## **Notes to the financial statements for year ended 31 December 2021**

### **1.Accounting Policies**

Set out below are the principal accounting policies which have been adopted in the compilation of the Receipts and Payments Account and the Statement of Assets and Liabilities

#### **(a) Receipts and Payments Account**

All items of income and expenditure included within the Receipts and Payments Account have been accounted for on a cash receipts basis.

#### **(b) Statement of Assets and Liabilities**

#### ***(I)Assets retained for the Parish's own use***

The assets of the Parish, retained for its own use comprise:-

- Church Building and Graveyard
- Parish Centre
- Fixtures and Fittings

The Church Building and Graveyard are deemed to be Heritage assets as defined by the Charities SORP (FRS102). These Heritage assets are not included in the statement of assets and liabilities as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

There are no reliable records of the Parish Centre's cost of construction and a valuation approach for such a building lacks sufficient reliability. As a result this building is not recognised in the parish statement of assets and liabilities.

Fixtures and Fittings are deemed to be recognised if greater than £5,000 in value.

#### ***(II)Investments***

Fixed asset investments comprising investment in RCB/CIT Unit Trusts are initially recorded at cost and are then subsequently stated at fair value at each year end date.

## 2.Reconciliation of Cash Funds

Total Cash Funds at Beginning of the year	53,927.53
Receipts for the Year	36,026.39
Payments for the Year	(24,609.77)
Timing difference between lodging & presenting cheques	182.50
Total Cash Funds at end of the year	65,526.65

## 3.Collections for Third Parties

	2021	2020
	£	£
Bishops' Appeal	0.00	0.00
Christian Aid	0.00	0.00

The above amounts have been included in Receipts for the year under "Proceeds from Fund Raising Events" and in Payments for the year under "Charitable Donations".

## 4.Governance Costs

Governance costs of £0.00 were incurred during the year. These fees would usually relate to fees paid to the independent examiner, however in 2021 our 2020 accounts were examined free of charge. Governance costs are included within Administration costs in the Receipts and Payments Accounts.

## Services April & Early May

The Service pattern remains in place but with an increasing sense of hope and confidence that we can worship with a greater sense of ease than over the last two years.

Parishioners at worship in Carryduff will be served refreshments in the Church Hall after 10:00 worship from the start of the month, and we hope Killaney's newly refurbished hall will be available for similar preparation and refreshments on a regular basis soon too.

The practice and extent of social distancing will be left to individual choice as the month begins, but we do encourage people to remain sensitive to those around them and to avoid sitting too close together. If you are distressed at any time, please feel free to signal to the wardens for help, or to move to a different location in the church. The pew markers will be in place for some time to help you as you make your choices. No record of attendance is made.

The process of queuing for Bread and Wine will continue for a while yet as this is a moment in worship when we do not wish members to be distracted by concerns for their physical health while seeking nourishment for their spiritual journey.

While sanitising hands on entry and wearing of masks is required on entry and during singing, some may wish to remove their masks during quiet parts of the services. If you suspect you have a cold or flu, it is best not to attend as these symptoms can mask the presence of COVID-19, and have done so here.

Some of the familiar practices have returned at worship and we hope to continue to make progress as the new vestries advise us to do so.

Our service list is a week late because of illness in the rectory and the Church office and for this reason a May/June edition will appear a few weeks before we mark the Queen's Jubilee in our communities. May services are included.

"SNATCH" will finish with light refreshments on Palm Sunday Evening.

## Christian Funeral

26th March

Ben McCartney, Oakwood Avenue, Carryduff

In Killaney Parish Churchyard

*Blessed are the dead who die in the Lord*

## Thanksgiving

Ben McCartney's ninety years of life were marked at a funeral service held in St Andrew's Killaney on Saturday 26<sup>th</sup> March. He had been ill for some time, having limited his ability to enjoy life to the full for several years.

At his best Ben was an avid ballroom dancer, an excellent and industrious gardener, an experienced supervisor working with the Housing Executive for many years and a faithful member of his church from his earliest days as a young Presbyterian member in North Belfast.

It was fitting that the congregation, drawn from St Andrew's and Cairnshill Methodist, as well as many friends and family, were accompanied for the hymn singing by the organist from Cairnshill, to whom we were very grateful.

We will remember Ben as a quietly spoken, gentle and amenable friend, and we assure Betty, Paul, Stephen, Jenny, and their spouses, and his grandchildren and great grandchildren of our prayerful support in the days to come.

## Jubilee Stories

Are you old enough to remember the Queen's Coronation? What happened at your school, or workplace? Did you get the day off? Were you at a party? Were you one of the few to see it on film soon after?

Our **Jubilee Edition of the Magazine** is the place to tell those stories. If you would like to write some memories down, or to have one of the magazine staff team come and listen to your story and compose some words for you then PLEASE get in touch. We have one story ready to write, but we would love some more.

What happened in Boardmills and Saintfield that day? Let us know..

## The Unending Saga

With road building extending from Mealough Road, through to resurfacing the Carryduff Roundabout, and awaiting underground electrical work to be completed at the Crossroads near the Church in Carryduff it seems we are part of a never ending saga.

Imagine how good we will all feel when these three works are finally completed. That is something to which we can look forward. . . But when?

## Mothers' Union

So ladies what were you doing in February 1962? As for me, I was 6 months old. I'm sure some of you will remember the commissioning of The Mothers' Union in St Ignatius' in February 1962. That makes this year our **Diamond Jubilee**.

To mark this occasion we have organised a celebratory meal in **Rockmount Golf Club on Thursday 5th May at 7pm**. The cost for a 2 course meal will be £22.50. This will be open to all members, past and present, as well as other friends of St Ignatius' MU. Please bring along any memories of your time in the Mothers' Union and any photos you may have. It would be lovely to hear all about your experiences. Let me know if you are interested in coming along -07850933365. We will be taking menu preferences at our next MU meeting on **Thursday 7th April at 8pm when Trevor Dunlop** will be joining us to talk about his work on the **Connswater Greenway**.

I look forward to seeing you all then . God Bless , Jenny.

### **The Prayer for All Times:** *Denis Carson*

I am writing this on St. Patrick's Day and in the middle of Lent. The main thoughts in my head are the enduring value of the Lord's Prayer, its complete relevance to the world at large and how it sounds in both the English and the Gaelic languages. As set out below, the second line is in Gaelic and the third line gives a phonetic pronunciation guide.

Our Father, who art in heaven, hallowed be Thy name  
Ar nahar ata air neamh go naofar d'ainm  
Our nahar ata air nyow go nee-fur dan-yim

Thy kingdom come, Thy will be done on earth  
Go dtaga do riocht, go ndeantar do thoil ar an talamh  
Go daga do ree-ocht, go nyan-tar do hull air an ta-loo

As it is in Heaven.  
Mar a dheantar ar neamh  
Mara yan-tar ar nyow

Give us this day our daily bread  
Ar n-aran laethuil tabhair duinn inniu  
Our naran lay-wholl tore doing in you

And forgive us our trespasses  
Agus maith duinn ar bhfiacha  
Agus my doing our via-ha

As we forgive those who trespass against us  
Mar a mhaithimidne dar bhfeichiunaithe fein  
Mar y-him-idin-ya dar feck-in-ya hain

And lead us not into temptation, but deliver us from evil,  
Agus na lig sinn i geathu, ach soar sinn o olc  
Agus nah lig shin l gahoo, ach seer shin o ulk.

For thine is the kingdom, the power and the glory for ever and ever  
Ar is an riocht agus an cumhact agus an glar agat anois agus go deo  
R iis an re-ocht agus an coo-act agus an glore agat anish agus go-joe.  
Amen. Amen. Amen.
