Rector's letter - A Season of Thankfulness

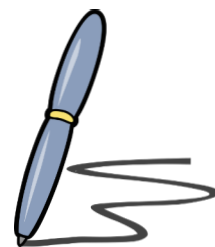

A Season of Thankfulness

October is a beautiful reminder that we live in seasons. The leaves begin to change, the evenings draw in, and our churches fill with the colours and abundance of Harvest. It is a natural time to pause and remember that all we have is ultimately a gift from God.

In the busyness of everyday life, it can be easy to focus on what we still need rather than noticing what we have already been given. Yet Scripture reminds us: "Give thanks to the Lord, for he is good; his love endures forever." (Psalm 107:1). Gratitude changes our perspective. It doesn't mean that everything in life is easy, but it helps us to recognise God's goodness even in the ordinary.

Perhaps this October we could make thankfulness a daily habit. Thank God for the food on our tables, the people around us, the beauty of creation, and even the small things that can so easily go unnoticed.

And as the trees let go of their leaves, perhaps we too can ask God what we need to let go of - trusting Him with what is past and looking ahead to the new things He is doing. "Give thanks in all circumstances; for this is God's will for you in Christ Jesus." (1 Thessalonians 5:18)

Operation Christmas Child - Shoe Box Appeal

The launch date for the Shoe Box Appeal is 4 October.

Flat pack boxes will be available for pickup at both our churches. Leaflets giving advice on age-appropriate items for each group are also available. All shoe boxes should be returned to church by Sunday 25 October (or Sunday 1 November at the latest).

We are grateful to Denis Carson for organising the ordering and delivery of the flat packs, and to David Johnston who will collect and bring the shoe boxes to the local collection point.

The poster features a background image of a golden wheat field at sunset. On the left, there is a white text box with a brown border. The text inside the box is as follows:

Mothers' Union & Friends

We had a great turnout for our opening Communion service at the start of September. It was lovely to catch up with everyone after the summer break and many thanks to Rev. Sarah for preaching at the service.

During her sermon Sarah challenged us all to think about what legacy we want to leave behind.

"Sometimes we imagine that leaving a legacy requires doing something enormous. But actually, some of the greatest legacies are built through very small things. A grandmother who faithfully prays for her grandchildren. A woman who notices when somebody is struggling and phones them. Someone who makes a meal for a family going through a difficult time. Someone who welcomes the person sitting on their own. Someone who quietly gives their time week after week without anyone applauding them.

Those things may never make the newspapers. There may never be a plaque put up in their honour. But they matter to God. Our acts of love don't have to look religious to be acts of worship. You may think you were simply helping a person. But you were serving Christ. You may think you were simply making a cup of tea. You may think you were simply sitting beside somebody who was lonely. You may think you were simply sending a card. You may think you were simply saying a prayer. But Jesus says: "You did it for me." That changes how we see the ordinary things we do. And that is one of the beautiful things about Mothers' Union. For 150 years, women have been doing ordinary things that have had extraordinary consequences. Praying, welcoming, supporting, campaigning, encouraging, visiting, caring and standing alongside families. And so, as we celebrate 150 years of Mothers' Union, perhaps the question isn't simply:

"What has Mothers' Union achieved?" But: "What legacy are we continuing?"

Thank you to all who brought items for the bring and buy sale and to those who purchased on the night. The money we raised will be used to give donations to our guest speakers.

Our next meeting will be on **Thursday 1st October** at our normal time of 7.30.

Our resident florist, Joan, will be "Saying it with Flowers". Why not come along and be amazed at her floral expertise?

Everyone is very welcome to join us.

The MU Christmas Gift Guide is now available. Orders for cards, gifts and diaries will be taken at the October meeting.

Harvest Appeal

BRAIN TUMOUR RESEARCH & SUPPORT
BRAINWAVES NI
www.brainwaves-ni.org

This year, Killaney Vestry has chosen to support Brainwaves NI as our Harvest charity. Brainwaves NI was established in 1992 by patients and carers who recognised the enormous need for information, support and

connection for those affected by brain tumours.

Today, Brainwaves NI provides information, emotional support, social connection and signposting for children and adults living with brain tumours, as well as for their families and carers. The charity also funds research into the causes, treatment and cure of brain tumours, including through a strong local partnership with Queen's University Belfast. If you would like to find out more about Brainwaves NI and the important work they do, you can visit their website: www.brainwaves-ni.org.

During our Harvest Service on Sunday 18th October, any loose change collected will be donated directly to Brainwaves NI to support their work.

We will also be sharing the harvest in another practical way: any food used to decorate the church will be donated to Ballynahinch Foodbank, helping to support local people and families in need.

Thank you for helping us to celebrate God's provision at Harvest by sharing what we have with others.

Baby Change

As our congregation continues to grow, we are delighted to be making some small but important changes to help families feel even more welcome and comfortable when they join us at Hempton Hall.

We are currently arranging a baby changing facility in the toilet at Hempton Hall, which will also have heating to make it a warm and comfortable space for little ones. We will provide nappies and wipes, as well as a potty for children who are toilet training.

We know that coming to church with babies and young children can sometimes require a little extra planning — and occasionally a few more supplies than you might expect! Our hope is that these simple provisions will make life that little bit easier for families and help them to feel that they are very much at home among us.

As we see our congregation growing, we want to continue to be a church where children and families are welcomed, valued and included. We hope this is another small step towards creating a warm, practical and family-friendly church community where everyone can feel at home

Help Us Reach Our £160,000 Target

Carryduff Parish Church has served its community for more than 60 years. As you will already be aware, its distinctive roof — one of the features that makes our church architecturally unique — needs to be replaced. Through the generosity of our congregation and the support of the local community, we have raised almost £100,000 towards an anticipated cost of £160,000. The Select Vestry have decided to put the roof project out to tender at the beginning of November with a view to beginning the work at the end of June. As you will see we have a gap of £60,000 to fill! We hope to fill this gap by applying for grants made available to churches of architectural interest. At the same time our project team will continue to run fundraising events. Please help us by supporting these events and by giving any additional donations if you are able. You can either donate via the fabric fund envelopes or by donating directly to the fabric fund account. Details below.

If you'd like to contribute to our roof fund, please send your donation using the following details:

The Suitcase Project

The Suitcase Project exists to help us **love the newcomer as ourselves** — expressing the deep love of God through practical support, emotional care and by sharing the good news of Jesus Christ.

Hundreds of asylum seekers and refugees arrive in Northern Ireland each month from places including Africa, the Middle East, Afghanistan and Ukraine. Many have been forcibly displaced from their homes and communities, and some come from countries where it can be very difficult to hear the good news of Jesus.

As a church family, the Vestry at Carryduff has agreed to support **The Suitcase Project** by collecting practical items for their pantry.

We are delighted that **Tim Burns, Outreach Leader with The Suitcase Project, will be joining us on Sunday 11th October at both Carryduff and Killaney** to share an update on the project and tell us more about how we can support this important work.

In the meantime, you may notice a **shopping trolley in the foyer at Carryduff Church**. This is there for anyone who would like to donate items, and the donations will be delivered to The Suitcase Project on our behalf.

Items currently needed:

- Cooking oil
- Tinned/chopped tomatoes
- Passata
- Sugar
- Basmati rice
- Tea and coffee
- Plain flour
- Pasta

Other practical items:

- Women's sanitary products
- Baby wipes
- Nappies
- Socks and underwear for men and women, in all sizes

Thank you for helping us to welcome and care for those who are new to our community. Even a small donation can make a real difference, and together we can show something of the love of Christ in a very practical way.

Golf Society

The final outing of the season for the Golf Society will take place on Thursday 15 October at Bright Castle!

Whether you're a seasoned golfer, someone who thinks a birdie is something you feed in the garden, or you're simply considering joining the Golf Society — you're very welcome!

Come along for a great day of golf, friendship, questionable shots and even more questionable excuses for those shots! Visitors and prospective members are very welcome no matter the ability!

For more information, contact Society Secretary Gerry McLaughlin on: gerrypmclaughlin@gmail.com

Visit of the Logos Hope

It is 17 years since the Logos Hope was last seen in Belfast. It is the world's largest floating book fair and carries more than 5,000 books. It is crewed entirely by volunteers - including the Captain - from 65 different countries.

The ship's location is Albert Quay just across from the Titanic Quarter.

It will be open to the public from 2nd to 20th October, from 10.00am until 10.00pm, Tuesday to Sunday. The entrance fee is a modest £1 and children go free. There is a cafe onboard where refreshments can be purchased.

Tours of the ship are held each day but these must be booked in advance and they cost £5.

Details of the different events being held on the ship can be found on the OM Logos Hope website.

It is well worth a visit, if only to browse and maybe to purchase a book or two!!!

If you are interested, please contact Marlene Moore for more details.

Much Needed Kindness

It is that time of year when it is our privilege to take part in Operation Christmas Child. This is all about shoe boxes and the opportunity they present for us to offer some Christmas joy to deprived and, often, very isolated children.

The project, known as Operation Christmas Child, will be formally presented in both our parish churches on Sunday 4 October.

From that time on for the next few weeks, flat pack shoe boxes will be available, and we most sincerely invite everyone to take a box (or maybe two, or even three), fill them with a variety of gifts, and return them to the church by Sunday 25 October or, at the very latest, the first Sunday in November.

These boxes make an enormous impact on disadvantaged children living in orphanages, refugee centres, and even tented camps.

I cannot be certain where, precisely, our shoe boxes will go, but recent experience suggests that they may be taken to centres in Ukraine or in the Middle East. In any event we can be sure of two things. Firstly, that our shoe boxes will most likely be the only Christmas gifts these children will receive and, secondly, that wherever possible, the children will be told the Christmas story - the story of God's love!

What a privilege it is to be a part of this amazing Christian outreach opportunity. In essence, this is a world-wide Sunday School Project.

Recently, I have read a note about lives transformed by this project. It stated: "See the difference your shoe box makes in the lives of children around the world."

Let's get ready to pack lots of shoe boxes, and make a difference to lots of young lives. Here is Christmas joy; here also, in many cases a crucial introduction to a life of Christian faith.

Denis

Bible Week 2026 Prayer:

That God would raise up another generation of
fully surrendered Christ-followers

Who are so captivated by Christ,

So committed to Christ's call,

So shaped by the Scriptures,

And so set on fire by the Holy Spirit,

That they are radical Christ-like disciples

And radiant worldwide witnesses

Are willing to go anywhere and do anything

And so are used by God to impact this world for Jesus Christ like never before.

Renew Weekend - Return, Restore, Renew

What a wonderful weekend we had as we gathered together for our **Renew Weekend**, with the theme Return, Restore, Renew.

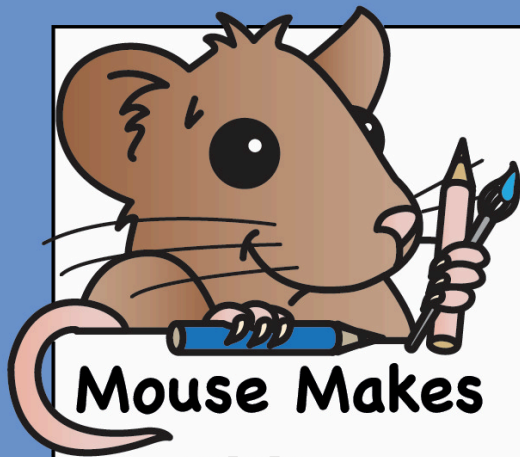

From Friday's fun-filled children and youth evening with african drumming and balloon modelling, through to our bowling evening on Saturday, and our services and fellowship on Sunday, it was a brilliant opportunity to spend time together as a church family. There was plenty of laughter, food, conversation and fun, but most importantly, there was time to pause and focus again on God.

Our hope throughout the weekend was that those who had been away over the summer would feel welcomed back, that we would have the opportunity to reconnect with one another, and that together we might be encouraged and refreshed in our faith.

As Keith mentioned in his talk as we finished our Renew Weekend, **our prayer is that this won't simply be a weekend we remember, but the beginning of a season where we return to God, are restored by Him, and allow Him to renew us for all that lies ahead.**

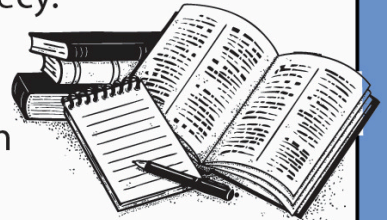

Thank you to everyone who helped make the weekend possible, whether through organising, serving, providing food, helping with the activities or simply coming along and joining in. It was a real joy to see our church family gathered together, and we look forward with excitement to all that God has in store for us in the months ahead.

The **Bible** is a collection of books, written by many different people who were helped and inspired by God. The **Bible** includes books of history, law, poetry and songs, wisdom, testimony, letters and prophecy.

The **Bible** encourages us, corrects us and teaches us about God and how we can be friends with Him.

Thank you clean up day

A massive thank you to everyone , from both Carryduff and Killaney , who came along to our clean up day. We achieved a massive amount from hedge cutting, weeding, weed killing, cementing manhole covers, clearing out the paint cupboard, the upstairs office , the vestry, cleaning windows , the fridge and even washing behind the cooker! Not only did we get loads done but we also had great craic and enjoyed a fabulous brunch together. Watch this space for our next clean up event !!

Accident

As my five-year-old son and I were heading to McDonald’s one day, we passed a car accident. Usually when we see something terrible like that, we say a prayer for whoever might be hurt, so I pointed and said to my son, “We should pray.” From the back seat I heard his earnest voice: “Dear God, please don’t let those cars block the entrance to McDonald’s.”
